

UTA periodically updates our services, fares, customer-facing information, and more across our service area to make improvements and adjustments to the system — these changes happen three times a year on Change Day. April 2025 Change Day is scheduled for April 13, 2025.

The service change proposals will help implement the first year of the [UTA Five-Year Service Plan \(5YSP\)](#).

Here's everything we have planned for April 2025...

Box Elder, Weber, Davis Counties 2025		
Route 417	New, 30-minute frequency route between North Temple & Woods Cross Station; community priority	Respond to community & stakeholder feedback Optimize the system for more access within our current limits
